ESTATE
HOMEOWNERS ASSOCIATION

African Property Awards South Africa Division Winner

We are proud to announce that Pecanwood Estate Homeowners Association has been selected as a winner in the South African division of the African Property Awards. This prestigious award, judged by an independent panel of 80 industry experts, is focused on meeting criteria such as design, quality, service delivery, innovation, originality, and commitment to sustainability. Pecanwood Estate Homeowners Association is honoured to have been named as a winner in both categories entered; Leisure Property Development for South Africa with Pecanwood Estate Homeowners Association Project, and Property Consultancy for South Africa, managing the properties within the development through the HOA. Pecanwood Estate Homeowners Association has competed against several developments and companies in the above-mentioned respective categories and will now compete against the best in the African region, and possibly thereafter internationally.

The African Property Awards are the largest, most prestigious, and widely recognised programme throughout the region, and is judged by a panel of members of the House of Lords in the UK Parliament; chaired by Lord Caithness, Lord Best, The Earl of Liverpool, and Lord Thurso. Pecanwood Estate Homeowners Association, having been announced in the Top 3, has now been invited to attend the awards Gala at The Waldorf Astoria Palm Jumeirah Hotel, Dubai, on 11 October 2018 to receive our awards in both Leisure Property Development and Property Consultancy.

The Awards are in their 25th annual year, and has cover over 45 different residential and commercial categories. Regional Awards are staged for Arabia, Europe, Africa, Canada, Central & South America, the Caribbean, USA, UK and Asia Pacific. These will be celebrated at gala presentation events in Bangkok, Dubai, London and Toronto during the course of the year. The top winners in each region will automatically be entered in to the overall international awards, culminating in a glittering awards ceremony, held at the Savoy Hotel, London, on 3 December 2018.

These awards confirm that Pecanwood is recognised as a top residential and lifestyle Estate. Winning the Property Consultancy category, which focuses predominantly on Estate & Property management, is a positive reflection of the current Pecanwood HOA Management team. Our core function is to ensure that our residents enjoy a secure, stable and sustainable lifestyle. Winning these awards confirms that we are pursuing the correct goals, objectives and vision.

Last, but not least, our heartfelt thanks go to our residents, with whom we share these awards as it could not have been achieved without your ongoing support and belief in this Estate and its custodians.

Kind Regards,
Pecanwood Estate HOA
